OFFICIALS BREAK GROUND FOR NEW LIBRARY

On Thursday, November 30, 2017 local officials gathered at the future site of the new Lake Villa District Library for the ceremonial groundbreaking.

“This is the day we’ve been waiting for,” said Library Board President Tony Gundrum, “The new library will serve the residents of Lake Villa Township for years to come.”

Representatives from the library board, the villages of Lake Villa, Lindenhurst, and Lake Villa Township, were on hand for the occasion. The 60,000 square foot facility is expected to open in February 2019.

Lake Villa District Library enriches life in our community by connecting people with resources, services and each other.
