

# Hoopla App for iOS, Android, and Kindle Fire HDX

## Hoopla

1. Visit Google Play or Apple App Store, search Hoopla; **install the app.**
2. Select **Sign Up** and search for or **choose Lake Villa District Library** from the list.
3. Enter an email address, your library card number, & choose a password.
4. To checkout a title, **tap the cover**, then **select Borrow**. Select **Read** or **Play** to enjoy your title. Titles you've checked out will appear at the top under **My Titles**

5. Tap the 3 horizontal lines at the top left to bring up menu options including favorites, history, and help.

You can check out 5 titles per month. Titles automatically return when they're due. There are no late fees or renewals. You may check the item out again if you want.
