

Name: _____

This summer, Lake Villa District Library invites you to relax, take it easy and enjoy the season with our 2021 reading program, ***Simply Summer!***

It's easy to participate ... here's how:

- Set a goal for how many minutes you want to read each day. (How about 20?)
- Feel like switching it up? Try one of our fun reading- or library-related activities ... visit www.lvdl.org/summer for ideas.
- "X" off a box for each day you reach your daily reading goal or do an activity.
- We've got fabulous raffles! Visit LVDL to claim your raffle tickets, or contact us and we'll enter tickets for you.
- Get a prize for finishing your first 20 days!
- Want to keep going beyond 20 days? See the bonus log on the back!
- For every 20 days completed, the Lake Villa District Library Foundation will donate \$1 to the Lake Villa Township Food Pantry.
- The deadline to enter raffle tickets is **Sunday, August 15 at 5pm.**
