# PROJECT SCOPE ITEMS

Remove areas of concrete

Remove dead/dying plants

Add Shade Structures

Rearrange planters / benches

Add Tables and Umbrellas

Add benches and power

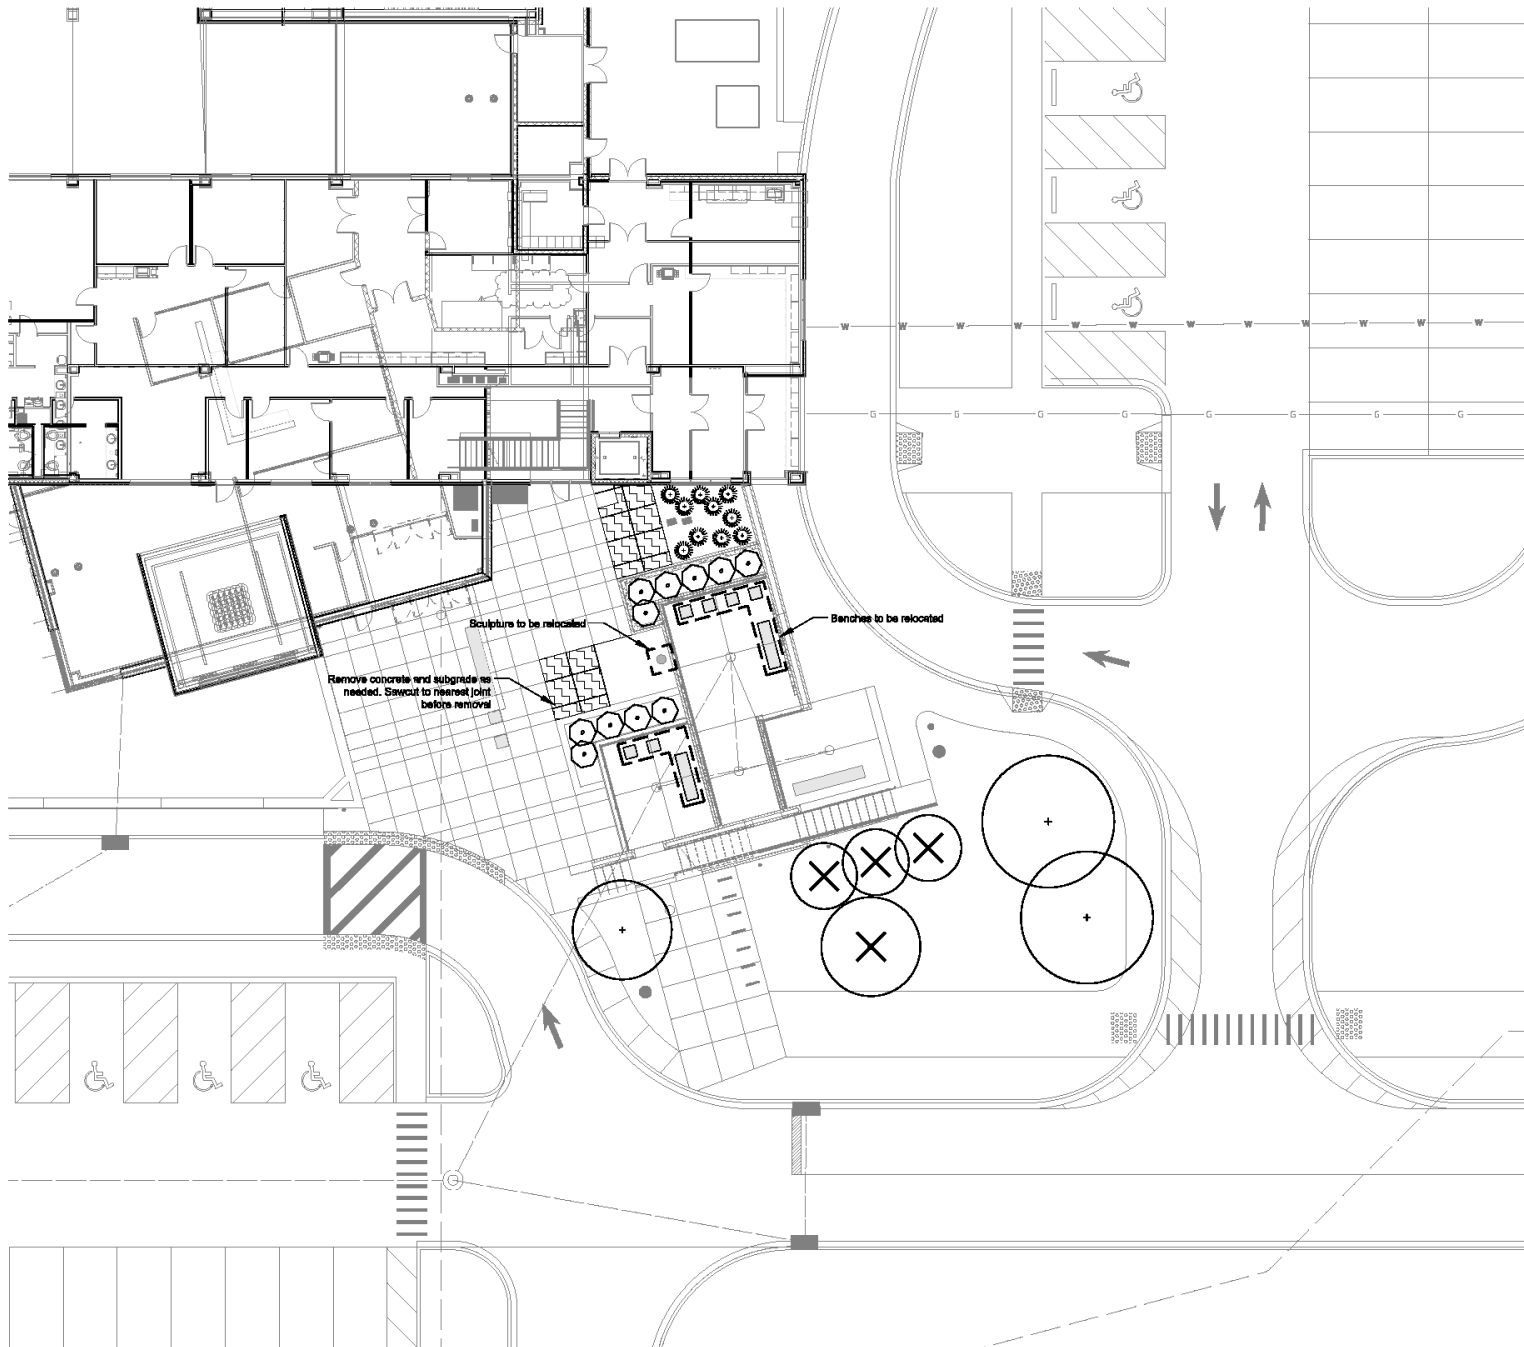

Shift sculpture

Add topsoil and plantings

- SITE PREPARATION AND REMOVALS NOTES**
1. Plans indicate general location and limits of removals. Contractor shall perform removals only as necessary for construction of proposed improvements. No additional payments will be made for removals or restoration not required to construct the improvements as shown and specified. Refer to Layout Plan for more specific information regarding proposed improvements and verify conditions in the field prior to performing removals.
  2. Remove and dispose of turf where planting beds are designated. Refer to Planting Plan for limits of proposed landscape improvements.
  3. Where turf or plantings are proposed in existing paved areas, remove all base material.
  4. Remove all utilities designated for removal to extent required for improvements, unless otherwise noted. Cap ends of any remaining underground conduit and piping, and pull all electrical wire out at source.
  5. Items indicated for Removal shall include complete removal of above grade items and below grade appurtenances (foundations, urban fill settings, piping, etc.) including disposal off-site following applicable codes and ordinances, unless otherwise shown on the plans.
  6. Items indicated as Remove and Salvage shall include careful prioritization, removal, and storage of items. For retained items, Contractor shall store during construction. All other Salvage items shall be returned to location as indicated by owner unless otherwise shown on the plans.
  7. Contractor to protect all existing utilities and all other site features not designated for removal. Contractor is responsible for reestablishing any existing utilities or other site features damaged during construction to the original condition at no cost to the Owner.
  8. Contractor responsible for maintaining existing utility services (electrical, sanitary, storm) during construction unless otherwise indicated in the Contract Documents.
  9. Contractor shall coordinate all work so public sidewalk remains open throughout construction.
  10. Refer to specifications for additional conditions, standards and notes.

- LAYOUT NOTES**
1. Contractor responsible for field layout of all new improvements. Digital files of geometric information will be provided upon request in AutoCAD format. No additional payment will be made for adjustments necessary to construct the work as drawn.
  2. Contractor responsible to coordinate work in order to obtain approval of all layout by Owner Representative prior to construction. No additional payment will be made to correct work if constructed incorrectly without pre-approval by Owner Representative.
  3. Contractor responsible to maintain all layout stakes during construction. No additional payment will be made to replace layout stakes.
  4. All walls are dimensioned to Face of Wall unless otherwise noted.
  5. All curves and radii to be smooth and not segmented.
  6. Contractor to provide layout stakes every 10 feet minimum for large areas where radius points are not accessible.
  7. Adjustment to stake locations due to discrepancies between coordinate and dimensions is incidental to the contract. No additional payment will be made for this work.
  8. Contractor responsible to take delivery, assembly and install all materials and furnishings per manufacturer's instructions.
  9. Refer to specifications for additional conditions, standards and notes.
